

Outstanding Technical Paper Award

Based on Published Journals

This award is given for the best technical paper presented by a member of SAE. The paper must be based on work done by the lead author (individual or corresponding author). Papers can be on any topic related directly or indirectly with automotive application. If you have any additional questions, please email to wira@utm.my. Deadline is on January 31st, 2019. Incomplete forms may be considered ineligible for assessment. Email your completed form to mohdhafzi@miros.gov.my.

The selection criteria include the following:

1. Eligibility: Member of SAE.
2. The SAE-M executive committee's members are not allowed to compete for the Award.
3. Nominated technical paper should be published between 1st September 2017 – 31st August 2018
4. Due date for nomination: January 31st, 2019
5. Nomination done through submission of a form and a copy of published paper
6. The award recipient will be determined by SAE-M executive committee and the decision is final with no objection in this regard will be entertained.
7. Award comprises a certificate and RM 1000 reward
